

The 10/21/09 \$1,000 contribution reported in this Dow Lohnes PAC 2009 Year-End report as made to the 'Capuano for Congress Committee' (Michael E. Capuano, MA 8th Dist.) was in fact made to Rep. Capuano's 2010 Massachusetts Senate special primary election campaign. Because FECFile, even using the January 2010 entity database update, does not provide 'Capuano for Senate Committee' (FEC ID no. SOMA00117) as a Committee Name option to use for reporting this contribution, Dow Lohnes PAC had no choice but to report the contribution as made to the House committee.
